

6th Annual Golf for the Eagles – over \$23,000 Raised!

Thank you for your part in supporting, volunteering, encouraging and playing in the golf tournament. It reaps value on many levels for our school --from the money raised for the Athletic and Fitness Programs to the personal connections and community-building achieved. It sounds cliché but it's true and witnessed by everyone there that day.

It was a fantastic day and our golfers and sponsors had a ton of fun! The highlights of the day included Head of School, Lila Lohr hitting the Women's Longest Drive; golfers competing to beat the pro on one hole; and dressing up on another. The putting contest was the ultimate challenge finishing in a putt-off. And, the top three teams finished within one stroke of each other!

It is so exciting to see the mix of players and how the tournament provides a venue to build relationships on different levels because everyone has ICS in common.

This year we had increased participation across-the-board in registered players, sponsors, donors and volunteers:

- 10 alumni connections – alumni, families or parents
- 55 current families
- 13 Grandparents of current students
- 50 "Friends of the Creek" individuals who played to support the school (friends and business associates of ICS or of our parents)
- 107 golfers
- more than 35 sponsors (a new record!)

The winning teams were:

1. Team Hurlbutt: Pierce Hurlbutt ICS Upper School student & his father, Chris with **two** guests; Score of 56
2. Team Hartman: Ed and Cindy Hartman, Parents of Alumni, with guests, Miki & Jerry Gardner
3. Team Gallmon: Andre Gallmon, new ICS parent of Andrea '18, Leandra'18 and Alexis '20, with three guests

Longest Drive Ladies Winner – Lila Lohr, Head of School

Longest Drive Mens Winner – Ed Hartman, Alumni Parent

Closest to the Pin – Jamie Benoit, Current Parent

Putting contest Winner – Bob Dowd, Friend of ICS
