Torano Represents ICS at County All-star Soccer

On Monday, November 21, Julia Torano represented Indian Creek at the Anne Arundel County Senior All-Star girls soccer game held on the AACC stadium field. Laura Sislen was also slated to play in the game but had to miss the game due to illness. Julia's team won the game 4-0. A senior at the Upper School and a fullback, Julia recently has been offered a roster spot on the Hood College women's soccer team as a recruited player. Congratulations Julia!

Varsity Equestrian Team Places in Every Class

It was another proud day for the Indian Creek Varsity Equestrian Team at the last horse show. It

# THE EAGLES FLYER

was held on a beautiful Sunday before Thanksgiving at Oatlands Stables in Brookeville, Maryland. Our riders proved it's the amount of heart you give, rather than the amount of riders you have, that gets results. Every time our riders stepped into the show ring, they came away with a ribbon. This was no small accomplishment as this show had the largest number of entries for the ISHS this season.

Hayley Cohen ('12) started the day by winning back to back blue ribbons for first place in each of the hack (walk, trot, canter) classes in the Junior/Senior Advanced Division. She took home fourth place for the over fences class. This put Hayley in a three way tie for Championship. She came away with Reserve Championship, as the rules of ISHS breaks a tie with the points earned in the over fences class. Sarah Gibson ('14) rode well to earn a fifth and sixth in her hack classes, and a third in the over fences class in the Freshman/Sophomore Intermediate Division. Very impressive!

The Equestrian Team starts the month of December with our holiday party at Baywood Farm in Harwood this Friday, December 2 at 6:30 PM. Anyone interested in finding out more about the team is welcome to attend. The season extends through April 2012, and new team members are always encouraged to join. The next show will be on Sunday, December 4 at NFF Stables in Poolesville, Maryland. The Varsity will be there competing on December 11.

Go Eagle Riders!

## **Week of 11/14/11 Girls Soccer Season Highlights**

Our girls soccer team had their first ever sweep of a home and away series with Rockbridge Academy. Kiana Dawson scored a school record 23 goals in 10 games and is likely to be chosen All-County for a second year in a row. Two seniors, Laura Sislen and Julia Torano, were chosen to play in the AA County Senior All Star Game hosted by Anne Arundel Community College on November 21 at 5:30 p.m. Congratulations to all the players on a great season.

## **Boys Soccer**

Our boys team hosted their first MIAA play-offs because they played so well as a team. Among them, two young men are at the top of the list for scoring in the county. KC Pendergrast topped the list in the capital with 20 goals, 11 assists, and 31 total points. In the second slot sophomore Sunny Chhatani had 14 goals, 4 assists for a total of 21 points. Congratulations to all.

## **Thanks to Future US Basketball Players**

The Upper School Basketball teams would like to thank all of the future players from the Middle School that attended Saturday's clinic. This was the first clinic hosted at the Upper School by the coaching staff and the turnout was amazing. There was a total of eleven players, four girls and seven boys: Corinne and Kira Willard, Caroline Curry, Teyla Dawson, Roderick Torrence, Cameron Johnson, Ben Atkinson, Andrew Lahowin, Niko Skalski, Parker Rouse, and Liam Eden. The future players worked on ball handling drills, footwork drills, and shooting drills. The activities were led by upperclassmen like Eddie Jenkins and Kiana Dawson, both students showed great leadership skills as they showed their own ball skills and knowledge of the game as an example.

The Athletic Department and Coaching Staff wishes you a successful season.

## **Week of 11/7/11 Cross Country**

ICS jumps up 2 spots from last year, to finish in 6th place out of 12 in the MIAA B conference. Best championship day the team has ever had! Multiple PR's and a great effort all the way around!

## ICS Equestrian Team News

It was a beautiful day on Sunday for a fall horse show for the JV Interschool Horse Show Series. The classes at Oatland Stables were full of talented riders from schools around the Washington, Baltimore and Annapolis areas. Our Eagle Riders gave the competition a run for their money and placed "in the ribbons" once again.

We welcome Autumn Sims ('15) to her debut in the Maiden Division! Autumn rode her best at a walk, trot, and canter in a field of 15 competitors. She did a great job for her first time out! Meagan Spry ('14) brought home a sixth place in each of her hack classes in the Future Intermediate Division. This qualified her to compete in the over fences class, where she took second place. In the Novice Division, Amanda Jorgensen ('17) won fourth place in her first hack class and fifth in the next. We are so proud of all of our riders!

Varsity riders Hayley Cohen ('12) and Piper Gray ('14) were recently selected from the ISHS to volunteer at the Washington International Horse Show at the Verizon Center. They spent the evening working at the ever popular "Barn Night." This is an annual event at WIHS for local barns, teams, groups and horse enthusiasts to come show their spirit and enter contests while watching exciting equestrian competition. The organizers of the event were impressed by Piper and Hayley's patience, hard work and enthusiasm. They showed what an Eagle is made of!

The next Varsity ISHS show will be at Oatland Stables in Bookville, Maryland on Sunday, November 20, followed by the JV on December 4 at NFF Stables in Poolesville, Maryland. All are welcome to attend! For more information on the ICS Equestrian Team, please contact Team Captain Hayley Cohen ('12) at (410) 721-1420 or [blbcohen@gmail.com](mailto:blbcohen@gmail.com). The ICS Team Interest Form can be found on Moodle.

## Week of 11/2/11

### Field Hockey-- Game of the Week - Fabulous End of the Season

Indian Creek Eagles tied the Annapolis Area Christian School Eagles 2 - 2 on AACCS's senior day. This was the only game AACCS has not won all year as they are undefeated, and no one has been able to tie them.

AACCS came out strong but ICS played tough defense against them. On a fluke goal that bounced over top of the Indian Creek Eagles's goalie Alex Morris's pads and snuck in as the first goal of the game by a random hit from Melanie Dynow, unassisted. The eagles were unable to convert on multiple corner plays before half-time.

After half-time Indian Creek came out pumped and scored right away off Freshman Kacee Helm from a pass from Sophomore Alison King. Two minutes later Indian Creek scored again off a pass from Alison King to sophomore Brennan Davis for the 2-1 lead. With 8 minutes left in the game AACCS after string of corners converted one for a goal to tie Indian Creek with a goal from Holly Jordan unassisted.

# THE EAGLES FLYER

In over-time Indian Creek dominated with the entire over-time period in their offensive end of the field but were just not able to convert with the game ending in a 2-2 tie.

This game also was game of the week and will be showed on Fox 45 News After a disappointing start to the season the Indian Creek Eagles started out 0-2. some key personnel changes propelled Indian Creek to a 13 straight games without a loss finishing the season 11-2-2.

Go Eagles!

## Girls Varsity Soccer

The Indian Creek School girls varsity soccer team hosted the Eagles of Annapolis Area Christian School (AACS) on Tuesday, October 25, and lost 4-1. The Creek jumped out on top early with a goal in the 4th minute of the game by junior forward Kiana Dawson. Dawson was assisted on the goal by sophomore forward Chandler Madison. The game remained tight for the next ten minutes, but AACS got on the board in the 13th minute with a goal by Katie Kinsey. Kinsey then scored twice more in the next 8 minutes to give AACS a 3-1 lead at the half. The second half saw both teams with some scoring opportunities, including a hard shot by Dawson that was dramatically tipped wide by the AACS keeper, Val Kilby. Katie Ellwein of AACS scored in the 24th minute of the half to run the lead to 4-1. Although the Creek threatened several more times, the ICS Eagles couldn't find the back of the net again. Senior keeper Mariah Smith had eight saves for Indian Creek while Kilby had four for AACS. The ICS Eagles took 7 shots to 12 for AACS. Corner kicks were 5-1 in favor of AACS. Dawson's goal was her 21st of the season. Madison earned player of the game honors for her assist and her physical play and all around hustle down the stretch against AACS. The Eagles are now 7-10 on the season.

October 26

The Indian Creek School girls varsity soccer team hosted the Glenelg Dragons Wednesday, October 26, and lost a close 3-1 decision. The Creek again jumped out on top early with a 9th minute goal by freshman midfielder Rachael Hughen. Junior forward Kiana Dawson provided the assist on the goal. The Dragons evened the game about ten minutes later, then took the lead on a goal off a cornerkick in the 22nd minute of the half. The second half saw both teams with some scoring opportunities, including a hard shot by Dawson that just missed the upper ninety of the Glenelg goal and a breakaway opportunity that senior forward Rhian Sellers put just wide of the near post. The Dragons put a third goal into the back of the ICS net, however, with just 3 minutes to go in the game, putting the game out of reach of an Eagle comeback. Senior keeper Mariah Smith had 20 saves for Indian Creek while the Dragons' keeper had four. The ICS Eagles took 6 shots to 24 for Glenelg. Hughen earned player of the game honors for her goal and her outstanding play in the midfield. Seniors Rhian Sellers, Mariah Smith, Kat Lyons, Sarah Kurtis, co-captain Krys Major, co-captain Laura Sislen, and co-captain Julia Torano all played in their last home game for the Eagles. Following the game, there was a presentation of soccer balls and posters to the seniors with farewell remarks by Head Coach Chuck Goetz and teammates at a team potluck dinner. The Eagles are now 7-11 on the season.

## Boys Varsity Soccer -

by Elaine Nagey

The stats and results for the Boys Soccer Play-off game against Key yesterday will come from the coach. This article comes from a spectator who is not the greatest follower of sports.

The crowd turned out to support our team in terrific numbers despite the fact that it wasn't a school day. Students came to cheer. Faculty stayed after a long professional development to

# THE EAGLES FLYER

yell for the team.

The team didn't disappoint. The game was exciting. For those of us who were here in the early days of our sports program, it was difficult to comprehend just how far our teams have come in so little time. Even an uneducated eye like mine could see the practiced plays executed with finesse. The determination and grit with which the boys played was unmatched. They gave it their all throughout the game.

I have been told that we were victims of some officiating inconsistencies-- I can't judge that. What I can judge is the way our guys played through those disappointing moments especially those that deprived them of potential goals. Tempers flared at times, but, all in all, they persisted with grace.

They were a team. Every player taking responsibility for the entire play and the entire game. As Dean of Students and former soccer coach Matt McCormick put it, "I have never been prouder of our team." The final score, Zags 1, Eagles 0, was not a defeat --it was just a couple of numbers at the end of a solid season. Congratulations to the team and their coaches.

## **Week of 10/24/11 Girls Varsity Soccer**

The Indian Creek School girls varsity soccer team travelled to Baltimore County on Friday, October 21, to take on St. Timothy's in an IAAM contest. The Saints had the run of the play for most of the first half and scored in the 29th minute to take a 1-0 lead into the half. The second half saw the Eagles regain control the run of play for much of the latter part of the second half, but still struggling to knock in a goal. The Creek finally got on the scoreboard with a goal by junior forward Kiana Dawson, assisted by senior forward Rhian Sellers. Just two minutes later, Dawson scored again, assisted by frosh Rachael Huguen, to put the Eagles up for good. Freshman keeper Emma Mugford had six saves for Indian Creek while the St. Tim's keeper had four. The Eagles had 6 shots to 8 for St. Tim's. Dawson's two goals were her 19th and 20th of the season and earned her player of the game honors. The Eagles are now 7-9 on the season.

Thanks to Equestrian Team's efforts, Maryland Therapeutic Riding will receive a contribution of \$63.20 for Maryland Therapeutic Riding! They spent part of their time at Creekfest working the Snack Shack down on the fields during the games.

The weather cooperated and the team had a lot of fun working as a team to support fellow athletes and their supporters, while also helping raise money for a worthy cause!

Special thanks goes to Meagan Spry for her time and amazing talents in creating a lovely (and reusable) poster representing our team. Thank you to our parents who supported us, too. We couldn't do this without you all!

Way to go Eagle Riders!

Playing 9 v 9 due to a depleted Gunston squad, the Eagles took a 1-0 lead on a goal by Kiana Dawson in the 22nd minute of the first half, assisted by senior center-back Laura Sisen. Freshman midfielder Rachael Hughen added to the lead in the 35th minute with an assist by Ruth Getachew. As the second half began, junior midfielder Rachael Church made it 3-0 for the Creek in the 8th minute of the half as Getachew had her second assist of the game. Dawson and Sisen hooked up again 6 minutes later to make the score 4-0. The final goal for the Eagles was registered by Church off Sisen's third assist of the game. Gunston got a late goal off a free kick to make the final score 5-1. Frosh keeper Emma Mugford had two saves for Indian Creek as Gunston rarely threatened the ICS goal. The Eagles had 30 shots to 3 for Gunston. Sisen was the player of the match for her three assists and outstanding leadership keeping the backline composed and disciplined. Freshman Emilie Rosenkilde played well on the back line and gained valuable game experience.

## Girls Varsity Field Hockey

The ICS Eagles varsity field hockey team defeated Gunston 2-1 at Indian Creek on Friday, October 7. This was a much improved performance for the Eagles who lost to Gunston 1-6 in their first meeting earlier in the season.

Gunston started out tough and scored the first goal of the game with 14 minutes left in the half. The goal was scored by Katie Weller. Goal keeper Alex Morris kept the Eagles in the game with 7 saves in the first half. Gunston was relentless in the shooting circle but Morris stayed tough and came up huge for the Eagles.

After half time Alison King stepped up and scored an unassisted goal with 12 minutes left in the game. King carried the ball all the way down the field from the defense end beating each line of Gunston's defense to score the goal to tie the game. The goal helped energize the Eagles defense and offense. The Eagles quickly scored again with 9 minutes left in the game off a penalty corner. The goal was scored by Junior Joanna Frank, and the assist was from the Freshman Kacee Helm. Alison King is the Eagles leading scorer with six goals on the season and five

assists. Caroline Grindrod and Louise Boudreau for the Eagles played solid defense to maintain the lead in the final minutes of the game.

### **JC Eagle Riders Bring Home More Ribbons**

While most of the Creek world stayed snuggled in bed on a gloomy Sunday, our JV Equestrian Team was up early and off to an Interschool Series Horse Show. It was held in Finksburg, Maryland on a cold and windy hill at Full Moon Farm. As usual, we have much to be proud of in our riders' hard work and dedication.

Meagan Spry ('14) placed fifth in the walk, trot, canter hack class against a large group of competitors in the Future Intermediate Division. She earned third place in the over fences class. Amanda Jorgensen ('17) stepped up to the challenge by taking third place in her first hack class, and fourth in the next. She earned third place in the Novice over fences class. Kiana Fiore ('17) earned a sixth in each of her Novice hack classes and took second over fences. The weather may have dampened their show clothes, but not their spirits!

The next Varsity show will be on October 16 at NFF Stables, followed by the JV on November 6. For more information, and to follow the standings, please see the website for the shows at [www.interschoolhorseshow.org](http://www.interschoolhorseshow.org). The Equestrian Team welcomes new members throughout the year. For more information, please see Team Captain Hayley Cohen ('12).

Come see the ICS Equestrian Team manning the Snack Shack at Creekfest on October 15. While they sell good stuff to eat and drink for the Creek, they will be collecting donations for Maryland Therapeutic Riding. That's teamwork!

Go Eagle Riders!

### **Girls Varsity Soccer**

The Indian Creek School girls varsity soccer team beat Rockbridge 2-1 on Tuesday, September 27, for its first ever victory over Rockbridge on the Rockbridge home field at Arden. After falling behind 1-0 in the first minute of the game, Creek junior forward Kiana Dawson scored in the 12th minute of the game to tie the score at 1-1. The Creek took the lead for good in the 37th minute of the first half when Rachael Hughen earned a free kick a few yards outside the Rockbridge box and Dawson put the ensuing free kick into the upper 90 of the far post. With the score 2-1 at the half, the evenly matched teams battled throughout the second half as Rockbridge tried to equalize and the Eagles tried to add to their lead. Strong play by both keepers kept the ball out of the goals and the final score was no different from the halftime score. Senior keeper Mariah Smith had 13 saves for Indian Creek while the Rockbridge keeper made 8 saves. Besides Dawson who was the player of the match, the team saw quality minutes of play from sophomore Kate Hamill who in her first start assisted on Dawson's first goal. Senior Kelsey Wagner, frosh Gabby Stewart, and soph Casey Madison all ably filled in on a backline that was missing one starter initially and then lost a second to a bad ankle sprain during the game.

### **Girls Varsity Soccer**

On Monday, September 12, the Indian Creek School girls varsity soccer team ventured north to Baltimore County to face their first IAAM opponent of the season, the Park School. Despite playing well for three quarters of the game, the Eagles surrendered 3 goals in the second quarter of the game resulting in a 5-1 loss. Park struck first with a goal from sophomore Nece Whye just after the 6 minute mark. Creek junior midfielder Kiana Dawson evened the score at 1 all 5 minutes later off an assist by sophomore midfielder Ruth Getachew. Park junior Rebecca Kolod-

ner scored in the 15th minute, then Park frosh Jenna Janes scored twice and her classmate Eva Schneidermann once in the last 20 minutes of the half as Park took a 5-1 lead into the half. In the second half, the Creek kept its defensive shape better and held Park scoreless although there were several missed scoring opportunities for both teams. Senior keeper Mariah Smith notched 5 saves for Indian Creek while Park's senior keeper Arianna Strome also made 5 saves in her team's winning effort. Park took 11 shots to 6 for Indian Creek, while corner kicks were even at one per team. Freshman midfielder Rachael Hughen was the Player of the Match for the Creek for her outstanding effort on defense and offense, especially in the second half, but Dawson, Getachew, senior M/F Kelsey Wagner, and center back Laura Sislen had strong games as well for the Creek.

9/13/11

The Indian Creek School girls varsity soccer team travelled north on Tuesday, September 13, into rural Baltimore County to play their second IAAM opponent of the season, Oldfields School. Creek junior forward Rachael Church scored just 24 seconds into the match off an assist from senior midfielder Kelsey Wagner to put the Creek up 1-0, and the goals kept coming as ICS tallied a 9-1 victory over the Dragons. Church scored another unassisted goal and assisted on a goal by senior forward Sarah Kurtis during the match. In addition to her one goal, Kurtis assisted on three other goals, one each by junior midfielder Kiana Dawson, sophomore midfielder Ruth Getachew, and freshman midfielder Emilie Rosenkilde. Dawson scored a second goal off an assist by senior forward Rhian Sellers. Dawson repaid the favor later as she assisted on one of Sellers' two goals; the other was unassisted. The halftime score was 5-1. Senior keeper Mariah Smith had 6 saves for Indian Creek while Oldfields' keeper made 14 saves in a losing effort. The Eagles took 24 shots to 16 for Oldfields, while Indian Creek had one corner kick to none for the Dragons. Freshman midfielder Rachael Hughen stepped in to play defense on the back line when senior co-captain Julia Torano suffered a deep bone bruise halfway through the first half.

The Indian Creek School girls varsity soccer team, in a last minute addition to the schedule, lost their home opener 3-1 against Mt. Carmel on Friday, September 16. After failing to capitalize on a couple scoring opportunities of their own, the Eagles surrendered 2 goals in the first half of the game to speedy Mt. Carmel frosh forward Jada Talley, resulting in a 2-0 halftime score in favor of Mt. Carmel. The Eagles came out at the start of the second half and put tremendous pressure on the Mt. Carmel defense, repeatedly threatening the goal. Creek junior midfielder Kiana Dawson finally got the Creek on the scoreboard with 12 minutes to go with the crowd and the team cheering as all in attendance sensed a comeback. It was not to be, however, as Talley scored her third goal of the game just minutes later to finish the scoring for both teams. Frosh keeper Emma Mugford tallied 8 saves for Indian Creek in her second start of the season while the Mt. Carmel keeper had 4 saves in her team's winning effort. Mt. Carmel took 10 shots to 8 for Indian Creek, and the Mount had 4 corner kicks to none for the Eagles. Sophomore midfielder Ruth Getachew was the Player of the Match for the Creek for her outstanding effort in the midfield in the second half, including an assist on Dawson's goal. Freshman Rachael Hughen, playing on the back line for injured senior Julia Torano, had another outstanding game as did sophomore forward Chandler Madison, junior midfielders Dawson and Rachael Church, and freshman Gabby Stewart who played well in her first start.

## Saturday Tournament

The Indian Creek School girls varsity soccer team headed across the Bay Bridge on Saturday, September 17, to participate in the 2nd annual Eagle's Cup Tournament held by N. Dorchester High School. The Eagles finished 1-1 in the tournament, falling to eventual champ Wicomico High 1-0 in the first round and rolling over the Salisbury School 6-0 in the consolation round for third place. Freshman Rachael Hughen and sophomore Ruth Getachew garnered individual honors during the skills competition as Hughen had 134 touches to win the juggling contest and Getachew raced through the cones to win the speed dribbling contest.

The first round game was back and forth between two closely matched teams. Wicomico generally had the better of the play in the first half, scoring at the 23 minute mark on a breakaway goal after a defensive miscue. The Eagles began to play their game late in the first half as the

WiHi players started to tire. The second half was dominated by good play in the midfield from Kelsey Wagner, Ruth Getachew, Kiana Dawson, and Rachael Church, leading to several scoring opportunities. But the Creekers could never get that final touch past the Wicomico keeper and time ran out for the Eagles. Starting keeper Emma Mugford had 3 saves while her second half replacement Mariah Smith had one.

The Eagles took out their frustrations from failing to advance to the final on Salisbury School in the second game as good crosses from sophomore Chandler Madison led to three early goals, two by Dawson and one by senior forward Sarah Kurtis. Later in the first half, senior forward Rhian Sellers also scored off an assist by junior midfielder Church, leading to a 4-0 lead at the half. In the second half, the Eagles got additional unassisted goals from Getachew and Kurtis. Keeper Smith earned the shutout with two saves as the back line of Laura Sislen, Krys Major, Kat Lyons, and Casey Madison kept life mostly uneventful for Smith during both halves. The Eagles now have a record of 3-4 on the year and next face Calverton on Tuesday, September 20.

## Boys Varsity Soccer

Indian Creek Opens Conference Play with Victory

The Indian Creek Eagles open the 2011 MIAA soccer season with a hard-fought 5-3 victory over of Baltimore Lutheran. The Eagles came out strong and placed considerable pressure on the Saints' defense, just missing with several shots early in the first half while dominating most of the play. About half way through the period, Sonny Chhatani received a pass from KC Pendergrast and found the net ahead of the Lutheran keeper. Chhatani returned the favor shortly before the break, feeding Pendergrast to go ahead by two at the break.

Ahead 2-0 at the half, the ICS Eagles began to exchange goals with a resurgent Lutheran squad. A second Chhatani goal increased the lead to 3-0, but the Saints fired back, with Dillon Taylor scoring the first of his three goals for the Saints. A couple of minutes, he narrowed the lead to 3-2 on a breakaway goal. Following a lot of end-to-end play, Pendergrast found Robert McGurrin at the far post and a clean feed allowed McGurrin to tap the pass into the goal for a 4-2 lead.

A collision in the penalty area called against ICS led to Taylor's hat trick for Lutheran and again the Eagle's had a one-goal lead. With four and a half minutes left, Sonny Chhatani returned the favor on a 30-yard run and scoring an unassisted goal for the final score of the game and a hard-earned 5-3 victory, their first ever at the Lutheran home field and an early 1-0 record in conference play. The Eagles outshot the Saints 12-7.

Danny Palavin made several crucial saves turning in a great performance in the goal.

## Field Hockey

Tuesday - Septembers 13th

Field Hockey experienced their first IAAM "C" Conference victory over Oldfield. The team won 1-0. The winning goal was scored by sophomore Alison King, who led the Eagles to victory. Junior Sarah Escalera had an outstanding game helping out on offense, and Caroline Grindrod played defense with patience and poise which allowed the Eagles to pull out the win. Alex Morris also finished the game with 3 saves in the goal. The Eagles are 1-1 in their first season in the IAAM.

Thursday September 15th

The Field Hockey team beat Calverton by a margin of 3-0 at Calverton. Joanna Frank had her first goal of the season assisted by Sarah Escalera in the first half of the game. Alison King came up huge for the Eagles with two unassisted goals in the second half of the game. Alex Morris had an amazing save on a penalty stroke in the first half, and Delaney Kerns made key saves in the last 8 minutes of the game to lead the Eagles to their second shut-out of the season. The Eagles are now 2-2 and looking for their second IAAM conference victory over Catholic on Tuesday September 20th at the Upper School.

## Cross Country

Indian Creek continued its 2011 season with a stop at St. Vincent Pallotti (Laurel). Despite a warm day and hilly course the Eagles were able to pull out a 19-39 victory against the Panthers. The Eagles showed their new found depth this season and were led by sophomore Ryan Baukahges, junior Harrison Collins, and freshman Eric Egeli. Creek was narrowly clipped by Baltimore Lutheran, although the scoring matchup between those schools will not occur until October. Indian Creek has a quick turnaround this week and will compete at the Knight's Invite (North County) this Friday at Baybrook Park.

Boys Meet Winner-Loyola

Girls Meet Winner-Spalding

The Indian Creek Eagles faced some of the toughest competition of their young season at the 22nd Annual Knights Invite today at Baybrook Park. The Eagles took on 16 other teams from the MIAA A Conference including Loyola, Spalding, and St. Mary's, as well as larger 4A and 3A schools. The Eagles were led by senior RJ Davis with a time of 18:21, followed by sophomore Ryan Baukahges, 18:23 and Freshman Eric Egeli, 19:19. This year's Invite has been the most complete race put together by the Eagles so far. This is only the second time the Eagles have competed at Knights Invite and the first time in the 'A' division. On the girls side, sophomore Nicole Stark, 22:47, improved her time from last year's invite by nearly two minutes. Final update: ICS finishes 12th out 15 schools at the Knights Invite. ## Season Begins for the Eagle Riders

With boots polished, official forms turned in, the competition year has started for our Eagle Riders. The Indian Creek Equestrian Team has been eager to test the skills they have been honing over the summer.

This season, all the ICS riders you have come to know are back to represent Indian Creek; with one new member to welcome. Watch for them from now until the Invitational Competition in April! Here is the 2011-12 line up:

### Varsity:

Hayley Cohen ('12), Team Captain  
Piper Gray ('14)  
Sarah Gibson ('14)

### JV:

Meagan Spry ('14)  
Kiana Fiore ('17)  
Amanda Jorgensen ('17)  
Autumn Sims ('15)

The kick-off was Sunday, September 11 at the first JV horse show at NFF in Poolesville, Maryland. The Interschool Horse Show Series ([www.interschoolhorshow.org](http://www.interschoolhorshow.org)) sponsored the event on a day filled with sunshine and blue skies. Our Eagle Riders hid any trace of first day jitters with grace, bringing home numerous awards for their efforts.

Meagan Spry started the day for the team by winning fourth place in her flat class at a walk, trot, and canter and a sixth in the over fences class. Kiana Fiore took the blue ribbon for first place in her division on the flat and a second over fences. Not to be denied, Amanda Jorgensen won third place in both of her flat classes, and won first over fences. A great day!

The first Varsity ISHS show was held at Oatland Stables in Brookeville, Maryland on Sunday, September 18. Piper Gray and Sarah Gibson rode beautifully to represent our school. Sarah earned a third place in her first under saddle class, and fourth in the next. She took the second place ribbon in the over fences class. All were very pleased with their performances for the first time out this season.

The Indian Creek Equestrian Team always welcomes new members. Each team member must be in weekly riding lessons with a trainer of his/her choice, in addition to monthly team practices. We emphasize good sportsmanship, great fun, and learning to advance in the equestrian arts. ### More Equestrian News:

Under the guidance of their trainer, David Loman, Hayley Cohen and Kiana Fiore competed in the "A" Rated Maryland Horse and Pony Show this week-end at the Prince Georges County Equestrian Center. Hayley rode her horse, 'Foreordained' (AKA "Dane"), to a fourth in the Pre-Children's Hunter Horse Classic out of a field of 21 top competitors. This qualified her for a spot in the final round of the Classic where she earned seventh place. No small feat for this size competition. Kiana rode her pony, "A Touch of Pixie Dust" (AKA "Tink") to earn a second in the Pre-Children's Pony Medal class, a first and third in her next over fences classes, and a third under saddle. All of these fabulous accomplishments added up to her earning the Pre-Children's Hunter Pony Championship! Tink's name will be engraved on the beautiful silver perpetual trophy. With much to be proud of, it was a great conclusion to the regular 2011 horse show season for our riders.

The next ISHS JV show for our Equestrian Team riders will be held on Sunday, October 2 at

Full Moon Farm in Finksburg, Maryland. The next Varsity show is Sunday, October 16, 2011 at NFF Stables in Poolesville, Maryland. All are welcome to attend to support our team!

## **Week of 9/6/11**

### **Girls Soccer Over Gunston Herons**

On Friday, September 9, the Indian Creek School girls varsity soccer team defeated Gunston 9-0. Sophomore Chandler Madison struck first for the Eagles with a rebound goal after a shot by junior Rachael Church in the second minute of the game. Church scored herself twice in the first half, once off an assist by fellow junior Kiana Dawson and once unassisted. Dawson scored twice in the first half as well, both unassisted. The score was 0-0 at the half as freshman Emma Mugford had one save to preserve a clean slate for the first half that ended 5-0 in favor of the Eagles. In the second half, senior Mariah Smith took over the goal keeping duties and preserved the shutout with 5 saves. Players scoring for the Creek in the second half were Madison in the first minute of the half off an assist from senior Rhian Sellers, freshman Rachael Hughen off an assist from Church, freshman Gabby Stewart off an assist from Dawson, and Sarah O'Connor off an assist from sophomore Kate Hamill. Hughen, Stewart, and O'Conner all scored the first goals of their high school careers. Indian Creek finished the game with 20 shots to 7 for Gunston. The teams were even on corner kicks with 2 apiece.

### **Cross Country Season Starts Strong**

Indian Creek lifted the lid on the 2011 campaign with a soggy 5K outing at Northwest Regional Park. ICS's own RJ Davis paced the day with a winning time of 19:46 followed by freshman Eric Egeli (19:59) and Sophomore Ryan Baukhages (20:02). Despite limitations due to weather, the Eagles put together a great start to the season beating Park 30-25 and Beth Tifiloh 15-48, Friends escaped with a 25-30 victory. ICS returns to action Tuesday when they try to avenge last years early season loss to St. Vincent Palotti (Laurel).
